Grievance Description

Dear Sir/Madam, I have to inform you that I had won a lottery prize of Sikkim fast digit lottery in draw no 40 date 4th April 2012 for rs 2, 00,000/- (Rs two lacs only). The necessary formalities of paper work were duly completed by me and submitted on 12th April 2012 to Pan India Network Pvt Ltd ; 135 Continental bldg, second floor, Dr Annie Besant road – Worli – Mumbai- 400018. The said company works for collection of prizes in Mumbai for Sikkim Govt. Till date despite lapse of one year (i.e. – on 12th April – 2013), I have not received my prize money. I am really desperate, mentally defeated as my requests by phone calls and sms to Pan India Ltd; - Worli Mumbai office have fallen on deaf ears and my efforts have been fruitless throughout one year. Even after begging for my prize with Mumbai office, I was told to approach High Court- Supreme Court for settling the issue early. I was bluntly told that even this move by me would not help and would not harm company in any way. I have detailed all these facts in my letter dated 04.03.2013 written to the Director of Sikkim State lotteries govt of Sikkim- Balwakhani – Gangtok – 737101 and copy endorsed to Pan India Ltd - Worli – Mumbai – 400018. I am in receipt of a acknowledgement of letter from Sikkim govt. I am senior citizen (65 yrs) and need money for my cataract operation. Your early compliance in the matter will mean immense help to me and I will remain indebted to you for the same. I note to forward the Xerox copies of all papers in the matter at an early date. Thanking you in anticipation C.K. PAI
